

SUBMISSION GUIDELINES

Please read the following carefully before submitting work:

Although L2kontemporary is usually scheduled well in advance, we are constantly reviewing submissions. If you would like to submit images for consideration, please be familiar with the type of work that the gallery shows and then follow the guidelines below. Due to the large volume of unsolicited submissions that the gallery receives we will not review materials in the presence of the artist. Under NO CIRCUMSTANCES will we accept original work.

VIA E-MAIL:

Artists may submit a link to a website (preferred) for consideration, or 5-10 low resolution jpegs. If submitting jpegs, please indicate the title, medium, dimensions and retail price for each image, or attach a Word/Excel document with said information. These submissions should be sent to: L2kontemporary@sbcglobal.net

VIA MAIL:

Artists may submit CDs or photo quality prints, but please do not send slides – we are not equipped to view slides properly, and therefore will not view slides at all. Materials will only be returned if a self addressed stamped envelope / SASE, FedEx or similar carrier envelope is included. If such return postage is not included, your materials will not be returned under any circumstances. Additionally, L2kontemporary is not responsible for any lost items, obliged to return materials or respond in any way.

Please, no follow up phone calls or emails. *If we are interested, we will contact you directly.*
